**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I want to keep competition in Broadband technology. As a consumer, I am sick and tired of a few companies controlling all of the attributes of the infrastructure with poor customer service and the freedom to set their own rates and terms. Competition drives our economy in general, and Broadband shouldn't be an exception.
